Service	Detailed Description
Electronic Commerce and Subscription Services - Website Management	This is our Commerce Managed Services that we offer once the website is built and launched into production. We will monitor the website, keep up and running 24x7, and fix it if it goes down. In addition, we provide 40 hrs of technical support and development services each month, provide 24 x7 monitoring and maintenance for a monthly fee of \$6000/month with roll-over hours month to month. All hours must be used at the end of 12 month contract.
Electronic Commerce and Subscription Services - Catalog Merchandising Services with Smart Merchandiser	This is our Content and Merchandising Managed Services where we provide unlimited use of our tool "Smart Merchandiser" to merchandise and sequence your catalog on the website. Merchandisers will be able to use this back-office tool to view products the way they appear on the website, move them around by drag and drop, sequence them according to ranking in terms of analytics, social media, sales and inventory. Pricing starts at \$1,300 per user per month.
